No Other Express Warranty Applies

This limited warranty is the sole and exclusive warranty provided to the customer identified above. No other express warranty, written or verbal applies. No employee, agent, dealer, or other person is authorised to alter this limited warranty or make any other warranty.

Larson or Kesseböhmer will determine, in its sole and absolute discretion, if your Kesseböhmer hardware is covered under this limited warranty.

If a covered claim is made during the warranty period, Larson will, through its authorized service representative, either repair or replace your Kesseböhmer hardware. Cost of replacement parts or a new Kesseböhmer product, will be provided at no cost to you. Repair or replacement shall be

determined by Larson in its sole discretion. If Larson determines that your Kesseböhmer hardware must be replaced rather than repaired, the limited warranty on the replacement Kesseböhmer hardware will be limited to the unexpired term remaining in the original warranty period.

The limited warranty is void if you try to repair the Kesseböhmer hardware.

Limitation Of Liability

To the extent permitted by law, in no event shall Larson or its authorized service representatives be liable for any incidental, special, indirect or consequential damages, including any economic loss, whether resulting from non-performance, use, misuse or inability to use the Kesseböhmer hardware or the manufacturer's or its authorized service representative's negligence. Larson and the manufacturer shall not be liable for damages caused by delay in performance and in no event, regardless of the form of claim or cause of action (whether based in contract, infringement, negligence, strict liability, other tort or otherwise) shall manufacturers liability to you exceed the price paid by the original owner for the Kesseböhmer hardware.

The term 'consequential damages' shall include, but not be limited to, loss of anticipated profits, business interruption, loss of use or revenue, cost of capital or loss or damage to property or equipment.

The call-out warranty is only valid to the geographical areas within 100km of Ethekewini, Johannesburg, Port Elizabeth and Cape Town. Units installed outside of this geographical area will need to be returned to the nearest Larson branch for assessment.
