

FREESTANDING APPLIANCES

Sensing the difference.

Whirlpool appliances featuring 6th Sense technology, have intelligent features making cooking, washing, storing & cleaning one of life's small pleasures

People call it the **Whirlpool** experience.

06|2018

INTELLIGENT APPLIANCES

TO MAKE YOUR LIFE MORE EFFICIENT AND PLEASURABLE

Recently surpassing 100 years, Whirlpool is a global leader in the manufacturing and sale of household appliances. This is a success born out of relentless research and innovation, consistently producing leading design and functional solutions to better satisfy the changing needs of consumers. New design trends, technological advances, evolution in society and changes in domestic behaviour have all inspired our innovation. This produced cleaner, more attractive styling and more sophisticated and responsive functionality. The result is stylish appliances with intelligence to more of the work on the consumers behalf, radically simplifying their lifestyle.

Like everything Whirlpool manufactures, its innovative products are designed to adapt to your lifestyle, providing you with the elements to create your ideal living space whatever your specific operational and space requirements.

Characterised by elegant, ergonomic design and attractive, high quality materials, the range offers a variety of shapes, sizes and aesthetics, all containing intelligent functionality that keeps pace with your needs as they arise: Whirlpool's patented 6th Sense technology and other intelligent innovations such as text assisted displays take care of the details, leaving you free to get on with your life.

6th
sense

Through its sensors, 6th Sense technology is able to sense the weight of the food that is being cooked and the precise temperature inside the cavity, adapting the cooking time and controlling the cooking process accordingly, while giving feedback via the user-friendly touch control display.

QUALITY AFTER-SALES SERVICE

UNDERSTANDING YOUR WARRANTY

Whirlpool offers two years full warranty from the date of original retail purchase, any functional part which fails in normal home use will be repaired or replaced free of charge including the part itself and labour costs. Evidence of the purchase (receipt), 12NC product code and serial number are required to obtain free warranty service. These repairs are free of charge for the consumer; cost are covered by Whirlpool as warranty repair.

In no event shall Whirlpool be liable for any consequential, either direct or indirect damages, whether foreseeable or unforeseeable, resulting from improper usage or maintenance of the appliance as well as for any damages consequently to the non observance of the appliances instructions for use.

After the warranty period, all repairs will be completely charge to the consumer.
